NEW OPPORTUNITIES

As we head into the second month of 2024, we want to make you aware of some of the opportunities available for spiritual growth in the New Year. On Sunday mornings in the month of February and March we will be studying the book of 1st Timothy. Timothy reminds us “that Jesus Christ came into the world to save sinners” (1 Timothy 1:15). Timothy also reminds us that how we conduct ourselves in the church is a reflection of the reason Jesus came, “I am writing these things to you so that... you may know how one ought to behave in the household of God” (1 Timothy 3:14-15).

Wednesdays at MABC our midweek gatherings have changed a little. The morning group is meeting in the FLC and the evening gathering is meeting in the main auditorium before breaking up into small groups. In these groups we are going more in depth by discussing the Sunday morning sermon text. We have had some encouraging feedback from the change in format. If you haven't been attending on Wednesdays, now would be a great time to get started!
